

ACADEMIC FACILITIES PARTNERSHIP PROGRAM APPROVED PROJECT LIST
2009-2011

This list contains the approved projects for the Academic Facilities Partnership Program for the 2009-2011 biennium. All approved projects were prioritized in accordance with the Rules Governing the Academic Facilities Partnership Program dated March 17, 2008. Funds will be available beginning July 1, 2009 for approved projects above the Funding Line. The Funding Line may be adjusted during the biennium if additional funds become available.

The State Financial Participation indicated on this list constitutes the Total State Financial Participation as calculated using information contained in the application. The Final State Participation will be determined in accordance with the Academic Facilities Partnership Rule and will consist of the lesser of the State Financial Participation as determined and included in the Partnership Agreement or the actual construction cost. The Division reserves the right to adjust the final State Financial Participation in accordance with the Partnership Rule.

The Partnership Agreement must be executed by the school district and the Division within 60 days of the Commission approval of this project list. Districts should contact their Division Area Planning Manager for project scoping details to be used in the project agreement. The project must be under construction within 18 months from the Commission approval of this project list and must have the Division's approval of the completion of all district project requirements within four (4) years of the Commission approval of this list.

School districts wishing to appeal a determination on this project list must do so in accordance with the Rules Governing Commission Appeals dated March 17, 2008.
