

7. Transportation Status

Presenter – Mike Simmons, Senior Transportation Manager

Tab 7a Timeline for Implementation of Act 1288

Act 1288 requires school districts to report school bus transportation data to the Division by July 1, 2014, to assist the General Assembly in determining whether to establish a maximum student transportation time.

Tab 7b Transportation Report

A summary of the Division's transportation activities during the 2012-2013 school year.

Tab 7c 2013 Public Awareness Campaign

The Division and the Arkansas Department of Education conducted a two-week public awareness campaign before the beginning of school regarding the issue of illegal passing of school buses. The campaign occurred through television, radio, and print media.

Status report. No Commission action required.
