

2013-2015 Partnership Program Projects Year One (Unfunded) and Year Two Funding Approval

Arkansas Division of Public School Academic Facilities and Transportation
2013-2015 Academic Facilities Partnership Program Approved Project List
April 3, 2014

This list contains approved but currently unfunded projects for the Academic Facilities Partnership Program for the 2013-2015 biennium.

The State Financial Participation indicated on this list constitutes the Total State Financial Participation as calculated using information contained in the application. The Final State Participation will be determined in accordance with the Rules Governing the Academic Facilities Partnership Program and will consist of the lesser of the State Financial Participation as determined and included in the Partnership Agreement or the actual construction cost. The Division reserves the right to adjust the final State Financial Participation in accordance with the Partnership Program rules.

A Partnership Program Project Agreement for each approved and funded project must be executed by the school district and the Division within 60 days of the Commission's approval and funding. The project must be under construction, as evidenced by a signed construction contract, within 18 months from the Commission's approval and funding and must be completed within four (4) years of the Commission's approval and funding.

School districts wishing to appeal a determination on this project list must do so in accordance with the Rules Governing Appeals from Determinations of the Arkansas Division of Public School Academic Facilities and Transportation dated June 2012.

2013-2015 Academic Facilities Partnership Program Approved Project List
April 3, 2014**

This list contains approved but currently unfunded projects for the Academic Facilities Partnership Program for the 2013-2015 biennium.

The State Financial Participation indicated on this list constitutes the Total State Financial Participation as calculated using information contained in the application. The Final State Participation will be determined in accordance with the Rules Governing the Academic Facilities Partnership Program and will consist of the lesser of the State Financial Participation as determined and included in the Partnership Agreement or the actual construction cost. The Division reserves the right to adjust the final State Financial Participation in accordance with the Partnership Program rules.

A Partnership Program Project Agreement for each approved and funded project must be executed by the school district and the Division within 60 days of the Commission's approval and funding. The project must be under construction, as evidenced by a signed construction contract, within 18 months from the Commission's approval and funding and must be completed within four (4) years of the Commission's approval and funding.

School districts wishing to appeal a determination on this project list must do so in accordance with the Rules Governing Appeals from Determinations of the Arkansas Division of Public School Academic Facilities and Transportation dated June 2012.
