

2015 Preliminary Master Plan

- Arkansas school districts submitted preliminary Master Plans as required.
- Consultation meetings between the Division and all **235** districts were held over this summer.

2016 Master Plan/Partnership Program Guidelines For the 2017-2019 Biennium

- Changes made to the on-line guidelines/help screens in response to Master Plan questions posed by districts in the last Master Plan cycle.
- Available four segment video with detailed instructions and visual aids to assist districts preparing their 2016 Master Plan and 2017-2019 Partnership Program projects and submission requirements for both.
- District Master Plans must be submitted by February 1, 2016.
- Partnership Program projects must be submitted by March 1, 2016.
