

MASTER PLAN UPDATE/PRELIMINARY MASTER PLAN 2015

Guidelines for the 2015 Master Plan Update/Preliminary Master Plan are located on the district welcome screen and throughout the Master Plan Web Tool both in the lower left corner of the screens (select Help) and by clicking  located throughout the Web Tool. Districts may view the welcome and help screens by logging on to the district's master plan.

The Master Plan Update/Preliminary Master Plan is due February 1, 2015.

The Preliminary Master Plan will form the basis of division consultations with the districts per Master Plan Rule 6.02. Districts should enter any new facility projects intended for submission for the 2017-2019 Partnership Program funding cycle, including relevant PORs, schematics, etc.

The Master Plan Web Tool link is located on the right side of the Division home page, under "Key Links".
